

Cable Stripper No. 4 - 29 Spiral **NEW**

round, longitudinal and circular cutting for soft and rigid cable insulations

- ▶ for all common round cables from 4.5-29 mm Ø
- ▶ the different cutting directions for round, spiral and longitudinal cutting can be safely set via the respective position of the adjustment lever
- ▶ cutting depth 0-3 mm
- ▶ cutting depth can be set comfortably from 0-3 mm with lockable control knob in 0.1 mm steps
- ▶ locking system: this function prevents the tool from opening in the longitudinal cut setting. That way, breaking off the blade due to incorrect handling is prevented.
- ▶ blade made of hardened steel
